WELCOME TO Children's Week 2022

I am delighted to Celebrate Children's Week 2022 together with all children, their families, and friends throughout South Australia.

Children's Week 2022 is a National Annual Festival to be celebrated from Friday 21st October to Sunday 30th October with this year's theme Article 27 from the United Nations Convention on the Rights of the Child.

All Children have the right to a standard of living that supports their wellbeing and healthy development.

I send my best wishes to everyone involved in Children's Week and hope that both young and old enjoy the celebrations.

Ambassador's Message

As Ambassador, I'm delighted to offer my best wishes, congratulations and thanks to all our young people in our diverse community. After a couple of very trying years, this year promises a sense of normality; but we all still need to be positive and resilient. Our young people form a pivotal part of our society, and we are ready to support and to encourage you in all your endeavours. Don't be in a rush to grow up; just enjoy your youth and follow your dreams. Keep safe and be happy!
