WELCOME TO Children's Week 2023

I am delighted to Celebrate Children's Week 2023 together with all children, their families, and friends throughout South Australia.

Children's Week 2023 is a National Annual Festival to be celebrated from Friday 20th October to Sunday 30th October with this year's theme Article 31 from the United Nations Convention on the Rights of the Child.

Children have the right to relax, play and take part in activities they enjoy.

I send my best wishes to everyone involved in Children's Week and hope that both young and old enjoy the celebrations.

Ambassador's Message

Children's Week 2023 is our opportunity to pay tribute to the young people in our community. Too often the media concentrates on only the negatives. Experience has shown me the amazing things that so many of our youth manage to achieve, often in the face of adversity.

Children's Week lets us acknowledge hopes, dreams, aspirations,

achievements and even fears and concerns in our young people. It is our duty to protect them, to love them, to comfort them and to help them embrace childhood.

I thank them all and wish them a very happy and successful Children's Week.
