Children's Week 2025

17-26 October

Theme: Everyone should know about Children's Rights.

Based on Article 42 of UNCRC

Artwork Winner: Keiko Prasetyo (6YO) 'Bubble Rights' - "I love to play with bubbles. This drawing is about children's rights to be safe and grow. They need to have a family, to have a safe home, a warm bed and to eat. They need to have a school, to play, to talk or to say what they want and to be listened to - even with a book (PECS) if they can't talk."

EVENT PROGRAM

Welcome to
Children's
Week 2025

I am delighted to Celebrate Children's Week 2025 together with all children, their families, and friends throughout South Australia.

Children's Week 2025 is a National Annual Festival celebrated from Friday 17th October to Sunday 26th October with this year's theme Article 42 from

the United Nations Convention on the Rights of the Child, Article 42: *Everyone should know about Children's Rights.*

I send my best wishes to everyone involved in Children's Week and hope that both young and old enjoy the celebrations.

Margie Berlemon AM | President

Ambassador's Message

This year the theme for Children's Week is a simple one, but a very basic one: Everyone should know about Children's Rights.

Adults sometimes forget that our youngsters are real people with real hopes, dreams, concerns and even fears. They deserve to have their own officially and globally recognised charter of rights. It is up to us as responsible adults to ensure that

everyone is aware of this charter so that we can guide our young people as they navigate the sometimes difficult path through childhood.

I thank all young people for their contributions to our community; I wish them happiness and success, and I trust that we will always be worthy of their respect.
