Children's Week 2026

24 OCT-
1 NOV

Theme: Children have the right to use their own language, celebrate their culture and practice their religion. Based on Article 30 of UNCRC

Artwork Winner: Aurore (10 yrs) inspired this poster design with her artwork.

"Australia is a welcoming and multicultural community that is composed of many unique individuals with similarities and differences. I am new to this country, and I am learning English in the Introductory English Centre. We can unite in our belief that all people, including children, have the right to be heard when they project kindness, respect and harmony in our community. We can proudly celebrate our language, culture and religion."

Welcome to
Children's Week 2026

I am delighted to Celebrate Children's Week 2026 together with all children, their families, and friends across South Australia.

Children's Week 2026 is a National Annual Festival to be celebrated from Friday 23rd October to Sunday 1st November. This year's theme is about children, their language, their cultures

and their beliefs. Enjoy this special week and all the activities that are on, especially in this time where we are in a world of unrest.

I send my best wishes to everyone involved in Children's Week and hope that both young and old enjoy the celebrations.

Margie Berlemon AM | President

Ambassador's Message

We pride ourselves on belonging to a multicultural community, so this year's theme for Children's Week

is a reminder to our young people that they should always be proud to celebrate their heritage. It is up to us as responsible adults to ensure that they can do this without any fear of reprisals. We need to encourage them, we need to show respect for their cultures and to

assure them that we will be there beside them. Congratulations to all of our young citizens; we thank you for your contributions and we look forward to helping you develop your skills so that you can become leaders of the future. Enjoy your youth but look ahead with resilience and optimism. My best wishes.
